Minutes:

1. With a quorum present, the meeting was called to order at 7:14pm by Chauncey Bowers and seconded by Hank Pressley
2. Bill Lee – Related concerns of personal experience with Ambulance response time. Wife having a heart attack. First responders arrived to stabilize. Ambulance arrival delayed reportedly due to other incidents. Transported wife in personal vehicle to CMC Waxhaw due to undue delay.
3. Crime incidents are occurring but no incident or statistical reports are provided. We are unfortunately lacking statistical information for review. This is a problem! Some reports seem to be going to the Village Clerk. Committee needs to approach Village Council – Can the Safety Committee get an activity summary from the Deputy? Need to know the details of coverage provided. Also lacking specific Wesley Chapel crime summary.
4. Village-wide Speed limit was discussed as well as the use of the radar signs. 35 Miles Per Hour was unanimously endorsed by the Committee. Proposal to be re-submitted to Council.
5. Discussed status of proposal made to Council for the 2 acres behind Lowes Food Property to be dedicated for EMS. Scott with EMS has advised that a commitment for the land would be necessary for their involvement.
